

Wascosa Group is Europe's first provider of freight wagon systems and a pioneer in innovative wagon concepts. With a portfolio of more than 16,000 freight wagons in the rental business, Wascosa Group is a partner for important industries throughout Europe, such as the steel, chemical, intermodal and bulk goods industries. Based in Lucerne and Hamburg, Wascosa is represented in over 20 European countries.

Wascosa Group is pursuing an ambitious growth strategy based on the fastest growing investment platform in Europe, a long-term investment strategy and the participation of Swiss Life Asset Managers and Vauban Infrastructure Partners. As a team, Wascosa Group covers a broad spectrum of expertise in finance and investment, marketing and distribution, technology and service.

In order to achieve our ambitious investment goals, the Investment Team of the Wascosa Group, Aves One, is searching for promising candidates to support our Investment, Financing & Treasury department in Hamburg

Analyst / Associate – Investment & Financing

We are looking for generalists who are not afraid of trying something new. Experience with logistics assets is a plus but not necessary.

Your Role

- Contribute to the development of our investment strategy with distinct focus on the European infrastructure market
- Support in the analysis and evaluation of investment opportunities based on risk/ return criteria and management of M&A / Due Diligence processes taking relevant considerations such as financing, legal requirements, risk, ESG etc. into account
- Preparation of Investment Committee and Board related documents
- Monitor existing investments against relevant performance measures and risk limits and be first point of contact for questions in this area for relevant stakeholders (mainly financial institutions and shareholders)

- Partially responsible for interdisciplinary tasks related to group business planning, financing, treasury and Investor Relation matters

Your Profile

- Excellent master's degree in relevant field of study (economics, business administration/ management & finance)
- 0 to 4 years of professional experience in the investment banking, deal advisory („Big 4“), private equity or corporate M&A industry
- Experience in the infrastructure industry or portfolio management is an advantage
- Strong investment and valuation knowledge, practical experience of Investment Management is an advantage
- Strong analytical and quantitative skills, proficient knowledge using Microsoft Office
- Strong team player and skilled communicator
- Entrepreneurial thinking, personal drive and "getting things done" attitude
- Strong results orientation and focus on implementation, ability to work towards tight deadlines
- Fluency in German and English, written and spoken

We Offer

- Active Portfolio Management in a strong growing environment with a frequent deal flow
- Highly diversified task portfolio combining operating, investing, financing and investment controlling tasks
- High degree of autonomy, personal responsibility and freedom to operate
- Young but highly experienced team supporting the development of every member
- Exposure to senior stakeholders and flat hierarchies
- Competitive compensation packages
- Corporate benefits, sports and health programs in place

Apply to us now and become part of a growing company where independent work is a top priority. Don't settle for the average and send us your complete application documents including a photo to jobs@wascosa.com today.

We look forward to meeting you!

Wascosa Group
